Hajvery University (HU) extends warm greetings for the New Year. May 2011 be a Year BIG with success and achievement, a Year RICH with affection from your loved ones, a Year MELLOW with happiness and good health.

2010 was an exceptional year for HU and its Internationalization goals. There were several highlights of the year including participating in Erasmus Mundus, which allowed us to send and host Exchange students from Partner Universities. We signed MoUs and Strategic Partnership Alliance with 6 prestigious universities from Belgium, Turkey, Canada and USA in 2010. Over 60 students, staff & faculty members benefitted and experienced different Universities in the world, and several other achievements.

We take this opportunity to thank our Partner Universities, which make our jobs a pleasure and keep us passionate about our goals. Every recurring year only strengthens the affection born of our long friendship.

We look forward to working with several new Universities in 2011. Please feel free to e-mail us on intl@hup.edu.pk to explore new avenues of partnerships. You will also find our website very useful and easy to navigate: www.hup.edu.pk
