Summer school

“Valorization of agro-industrial residues and side streams for the development of a sustainable bio-economy”

28-29 May 2018

Agricultural University of Athens

Summer school

“Valorization of agro-industrial residues and side streams for the development of a sustainable bio-economy”

Scope

- Technology development for the production of bio-based products
- Bio-economy and biorefinery principles
- Sustainable industrial development

Topics

- | | |
|---------------------------|-------------------------------|
| ✓ Biorefinery development | ✓ Circular economy principles |
| ✓ Waste valorisation | ✓ Life cycle analysis |
| ✓ White biotechnology | ✓ Process design & costing |
| ✓ Green chemistry | ✓ Socio-economic analysis |
| ✓ Anaerobic digestion | ✓ Industrial applications |

Invited speakers

- | | |
|--|---|
| • Prof. P. Morone, University of Rome - Unitelma Sapienza, Italy | • Assist. Prof. M. Koutinas, Cyprus University of Technology, Cyprus |
| • Prof. M. T. Moreira Vilar, Universidade de Santiago de Compostela, Spain | • Prof. S. Haroutounian, Agricultural University of Athens |
| • Prof. E. Montoneri, University of Torino, Italy | • Prof. D. Briassoulis, Agricultural University of Athens |
| • Prof. E. Castro, University of Jaén, Spain | • Assoc. Prof. K. Triantafyllidis, Aristotle University of Thessaloniki, Greece |
| • Dr. V. Kumar, Cranfield University, United Kingdom | • X. Tsompanidis, ENVIRONPLAN S.A., Greece |
| • Prof. C. Cardona Alzate, National University of Colombia, Colombia | • VIORYL S.A., Greece |

Participation is free of charge.

Please sent your application until 11th of May to:

sofiaina@aua.gr, kpapadaki@aua.gr

Summer school

“Valorization of agro-industrial residues and side streams for the development of a sustainable bio-economy”

Organization

Assist. Prof. Apostolis Koutinas

Laboratory of Food Process Engineering

Department of Food Science and Human Nutrition

Agricultural University of Athens, Greece

Practical Information

*Venue: Conference Centre Auditorium
Agricultural University of Athens*

Address

Conference Centre Auditorium

Agricultural University of Athens

Iera Odos 75, Athina 118 55, Greece
