

**“Marie Curie Actions in Horizon 2020
Contributing to the Europe 2020 objectives”**

5-6 November 2012
University of Cyprus, Nicosia, Cyprus

For details and applications contact: people12@ucy.ac.cy www.marie-curie2012.eu

MARIE CURIE PRIZE - CALL FOR APPLICATIONS

The Marie Curie Actions invite their current and former fellows to participate in this year's Marie Curie Prize contest

The competition will be held in three distinct categories:

Communicating Science
Innovation and Entrepreneurship
Promising Research Talent

Application process: nomination by a peer

For the Promising Research Talent category, nominated fellows must have obtained their research results as an early stage researcher in an FP6 or FP7 Marie Curie project

For the other two categories, individuals - current or former Marie Curie Fellows from FP6 and FP7 - are eligible

For more information: ec.europa.eu/research/mariecurieactions

The Awards Ceremony of the Marie Curie Prize will be held at the occasion of the Cyprus Presidency Conference on 5-6 November in Nicosia, Cyprus

The winners in each category will have their travel and accommodation costs for the conference reimbursed and will receive an award certificate and a trophy

Nominations deadline: 31 August 2012
