

*Distinguished Colleagues,*

**We have the pleasure of inviting you to the AIIC (Annual International Interdisciplinary Conference).**

The first international interdisciplinary conference is a summit academic event, with a primary purpose of assembling explorers and scientists of various scientific disciplines, who by submission of their scientific papers will contribute to the development of the interdisciplinary concept.

By expressing their opinions and attitudes, the participants of the conference will have the opportunity to discuss social, cultural, economic, educational, scientific, etc. problems and contribute to potential solutions.

AIIC is organized by: European Scientific Institute, University of The Azores and Center of law and economic studies.

***Supporting the concept of interdisciplinarity we welcome submissions in all academic areas.***

***All accepted papers will be published as a specific publication with an ISBN number. The author will be sent a printed copy of the publication after the conference finishes.***

The paper, however, that will be assessed of a highest quality will be published in a special edition of one of the most influential international scientific journals in South Europe, The European Scientific Journal (ESJ). Authors that will not be personally present on the event will be given the opportunity, on their request, to make an online presentation for the present members.

**The authors are not obliged to present their works  
(personally or online).**

We hope that scholars of your esteemed university could benefit from the international environment of this academic event.

Sincerely,

European Scientific Institute  
University of The Azores
